President's Message

As we celebrate our 50th Anniversary, we reflect on how we got here. We remember our ancestors who left their homeland searching for a brighter future in a new world. They left behind everything they knew, including their families, culture, and traditions. They endured long and arduous journeys across the Atlantic, arriving in a land that was unfamiliar in many ways. Despite the hardships they faced, they demonstrated resilience, resourcefulness, and a strong work ethic that contributed significantly to the growth and prosperity of the United States.

The story of our Italian American immigrant ancestors is a testament to the power of the human spirit and the importance of diversity in shaping our nation. Their experiences remind us of the values of hard work, family, and the pursuit of opportunity that continue to define the American dream.

Today, as we celebrate our Italian American heritage, let us remember and honor the sacrifices and contributions of our immigrant ancestors and let their legacy inspire us to continue building a more diverse and vibrant nation.

On behalf of the Italian American Community Center, I wish to welcome you to our 2023 Columbus Day Grand Gala.

Enjoy the evening!

Ciao,

SILENT AUCTION

I.A.C.C. FOUNDATION

The Italian American Community Center established a non-profit 501c3 foundation with a mission to advance, celebrate and preserve the Italian culture and heritage while helping families rediscover the great strength to be found in these traditions.

The Foundation holds many annual cultural programs and events. Our goal is to connect a new generation of Italian Americans with traditions and an ethnicity which has been all but lost in today's world. With your ongoing support we hope to continue this good work for generations to come.

THOMAS DINAPOLI,
DARIUS SHAHINFAR,
AND ALL OF TONIGHT'S HONOREES.

RAY JOYCE
Albany County Legislature

HONOREES' BIOS

THOMAS DINAPOLI *Italian American of the Year*

Tom DiNapoli is the 54th Comptroller of the State of New York. He is the first Italian American to serve as State Comptroller.

His mother's family is from Sturno in the Avellino province of Italy. His father's family came from Paduli in the Benevento province. Tom was made an honorary citizen of Paduli in 2013. A life-long Long Islander, Tom was raised in a middle-class, union household and saw the value of hard work and stretching every dollar in the example set by his parents.

In 1972, Tom won his first election and served as a trustee on the Mineola Board of Education, becoming the first 18-year-old in New York State to hold public office. He attended Hofstra University, earning a bachelor's degree in history, and graduated magna cum laude in 1976. He worked in telecommunications for ten years and attended night classes to earn his master's degree from The New School University's Graduate School of Management and Urban Professions.

In 1986, he ran for the New York State Assembly and was elected to represent the 16th District in northwestern Nassau County for the next 20 years. Tom was elected State Comptroller on February 7, 2007, by a bipartisan

majority of the State Legislature. He was elected Comptroller by New York's voters in 2010, 2014, 2018 and 2022.

He is a member of the Cellini Lodge, Order of Sons and Daughters of Italy in America in New Hyde Park, N.Y. In 2011, Tom DiNapoli was honored by the Republic of Italy with the title of Cavaliere.

Tom DiNapoli edited the book *The Italian Jewish Experience*, which examined the history of the Jewish community on the Italian Peninsula and the role of Italians who rescued Jews during World War II.

He attended Hofstra University, earning a bachelor's degree in history, and graduated magna cum laude. He also earned a master's degree from The New School University's Graduate School of Management and Urban Professions.

His record as State Comptroller reflects an unwavering commitment to protecting the people's money, hold government accountable, and build a better future for New Yorkers. For these reasons, the Italian American Community Center proudly names Thomas DiNapoli the Italian American of the Year.

ANGELO TARANTINO
President's Award

Angelo Tarantino's grandparents immigrated from Bitonto and Giovinazzo, located in the Puglia region of Italy, in the early 1900s. Angelo grew up in Salem, NY, where he worked in the family grocery store each day after school. He graduated from Salem Washington Academy in 1965, SUNY Cobleskill (AAS in Accounting), and SUNY Albany (BS and MS in Education) with a Teacher Certification in N thru 6th, Special and Business Education. Angelo worked for 31 years for the NYS Office of Mental Retardation and Developmental Disabilities, retiring as Director of Training for the agency. Angelo has been married to his wife, Gail, for 54 years. They live in Guilderland, where they raised their three girls, Anjanette, Amanda, and Alicia. Angelo is a devoted "Papa" to his granddaughter, Jordan Rose.

The Tarantino family became members of the Italian American Community Center in 1980 and have been active members ever since. Angelo will tell you he felt welcomed to the IACC and its various events in large part due to the extended hands of Carlo Ricupero and Anna Keneston.

As a board member for many years, holding the positions of vice president and treasurer, and during his two terms as President, Angelo worked very closely with every board member and had the support of many members to address issues to improve the operation of the IACC. Credit also has to be given to many members who participated in making group decisions for many of the actions taken. Angelo is always available to share his knowledge and experience when asked.

Today, you can find Angelo spending his retirement years on the basketball court playing in the Colonie Senior Basketball League, which is a continuation of a love of basketball he had in school and college and playing bocce with friends and his IACC family in the Men's Bocce League and Mixed League.

Angelo's dedication and commitment to the continued success of the IACC is why the IACC is proud to present Angelo with the 2023 President's Award.

HON. DARIUS SHAHINFAR
Italian Spirit Award

Darius Shahinfar grew up outside of Utica, NY, with no shortage of Italian neighbors and lifelong friends. After attending Bates College in Maine, he moved to Albany nearly 30 years ago to attend Albany Law School, where he met his future wife.

After graduation, he worked in several positions, mainly in the public sector, most notably in the NYS Senate and the Appellate Court, as well as for County Executive Mike Breslin and US Representative Kirsten Gillibrand.

He is in his third term, proudly serving our neighbors as the City Treasurer and Chief Fiscal Officer in Albany, where he has saved taxpayer dollars on debt refinancing, increased collections of revenue owed to the taxpayers, modernized legacy computer and outreach systems to create efficiencies, and found untapped revenue streams to supplement city budgets.

In between, he has served or continues to serve on the Boards of Trustees of Albany Law School, Albany Law School Alumni, St. Anne Institute, Families Together in NYS, the Underground Railroad History Project of the Capital Region, National Little League, as well as organizing the delivery of 9,000 Thanksgiving Day meals through Equinox.

He is married to his law school sweetheart, Noelle, and they have two children, Ava and Jackson, in the magnificent Albany School District.

His commitment to public service and compassion for the people of his community, especially those of Italian descent, is why the IACC has chosen to present the Italian Spirit Award to him.

HONOREES' BIOS

ANTHONY "TONY" FAZIO
Pasquale Tirino Award

Tony Fazio was born and raised in the Gun Hill Road area of the Bronx. He was the youngest of three children born to Biagio and Josephine Fazio. He attended a trade High School (Food and Maritime Trades). When he was 16 years old, he and his friends crashed a 16th birthday party of one of his friend's sisters, and at that party, he met a girl. When he met her, he knew he would marry her, his wife of 56 years, Terri.

He and Terri have three children: Robert, Cristina, and Marc. 1972 Tony and his family moved to Peekskill, NY, in Westchester County. The move made commuting to his job in Newburgh, NY, easier. After owning a couple of businesses and moving to Marlboro/Milton, NY, he decided to take a position in sales. He was transferred to Syracuse, NY, where his family only lived for nine months because he couldn't take the constant snowing, so when an opportunity was presented to move to the Albany area, he took it. It not only got him away from the snow, but it would bring him geographically closer to family.

Tony has lived in the Capital Region for over 30 years. He always says moving to the Albany area was his best move ever. When they decided to join the IACC, they immediately felt the members' warmth. They made so many new friends, and the feeling of inclusion was precisely what the "newcomers" to the area needed. Since then, Tony has volunteered to do whatever he was asked, from landscaping, cooking burgers at the pool, or selling pull tabs on Friday night in the pavilion. Tony is always there with a big smile and a sense of "we are in this together." Friday Nights in our pavilion would not be the same without hearing Tony yell "We Got A Winner" in his famous NYC accent. Tony has left a mark on our club simply because he cares and wants to be of service in any way he can. For this reason and many others, the IACC presents Tony with the Pasquale Tirino Service Award.

SHARON PATREI
Cuore d'oro Award
(Heart of Gold)

Sharon's mother was born in St. Andrea, Reggio, Calabria. Her father was born in Catanzaro. They came to this country in 1933, and Sharon and her sister were born here in America.

She grew up in Albany, starting her career with the State of New York in 1965, and was employed in the Office of the President of State University at Albany. In 1971, she married her husband, a medical student at Upstate Medical Center in Syracuse.

After medical school and residency, they set up an ENT surgery and allergy practice, where Sharon managed the office for 25 years while raising two sons. She was also involved in the medical community wives organizations and taught English as a Second Language.

She moved back to Albany in 2003 when her husband passed away and has been involved with the Italian American Community Center ever since. She is proud to be the current Vice President of the IACC & serve on the IACC Foundation Board of Directors. Sharon can be seen weekly during the summer selling her freshly baked desserts on Friday nights in the pavilion and serving on many committees for events and activities held at the IACC. Her passion and commitment is why she has been chosen to receive the 2023 Cuore d'oro Award.

In 1969, a group of hardworking, dedicated Italian Americans got together and created a plan to build and establish an **Italian-American Community Center**. This center, or as its members have affectionately called it, "**the Club,**" would replace the old center on lower Madison Avenue in Albany.

Due to the construction of the South Mall and the closing of St. Anthony's Church, many Italians were scattered all over the Capital District, relocating to areas like Delaware Ave & Russell Road in the city of Albany. A site was chosen on the outskirts of the city, although still within the City Limits. The purpose of the club was to pull together the scattered Capital District Italian Americans.

To accomplish this, the center sought three hundred members whose initiation fee would be recognized by the issuance of a "Capital Certificate." These members would become the official charter members of the Italian American Community Center of the Capital District. It was the financing provided by these charter members that made the building of this facility possible. The center would include a recreation field, swimming pool, bocce court, and health club, but most importantly, it would provide our members with a place to gather, sing, dance, eat well, and imbibe in the fertile juice of the grape.

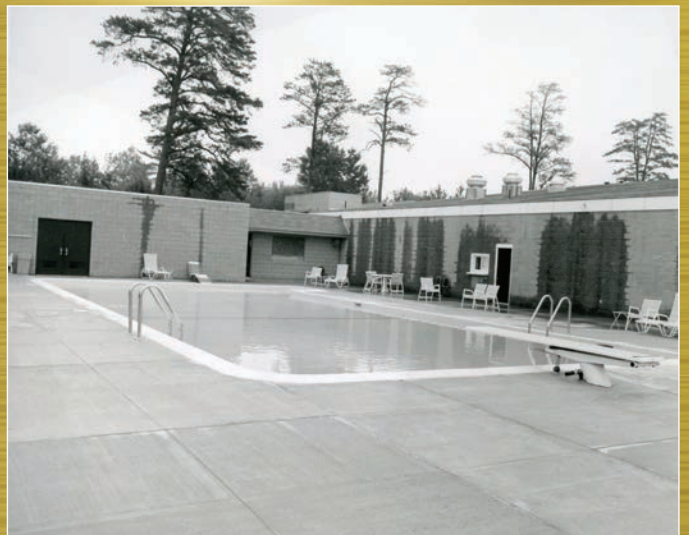

After four years of planning and construction, on October 12, 1973, at 2 p.m., the building was officially dedicated by Mayor Erastus Corning, Chairman Colonna, numerous county and city officials, and most importantly, our charter members and their families. Father Joseph Romano gave the invocation and blessed the cornerstone. Mayor Corning delivered a most sincere and eloquent address expressing his pleasure that the Italian Community was quickly approaching its goal of a new home.

Tonight, as we gather here to celebrate our 50th Anniversary, it is only right we honor the following charter members and thank them for their vision, commitment, and contribution to creating a place where generations of Italian Americans can gather to celebrate our heritage, enjoy one another's company, and pass on our traditions to our children and grandchildren.
